We want to get you up and running as quickly as possible. Here's what to expect from us and the first steps you need to take.

- 1 We'll send you a link to the Dext app by email. Simply download and log in.
- 2 Once you've downloaded the app to your phone and have logged in, you can start to take photographs of your receipts! You'll find easy instructions for this [here](#).
- 3 We'll also send you an email address which is specific to your account on Dext. Use this to forward emails containing invoices into your account. You'll find easy instructions for this [here](#).
- 4 Make sure you also choose the option to set up the Fetch facility to automatically forward monthly bills (such as mobile phones) straight into Dext.
- 5 That's all there is to it! If you have any questions, just give us a call on 0208 819 8762.
